

Internship Opportunity

The Audrain County Soil and Water Conservation District located in Mexico, Missouri is seeking a summer intern. Applicants must be a student currently enrolled in a higher education (college, university, technical school, etc.) with at least one semester completed. The selected intern will gain hands on work experience in a learning environment while mentoring with the Audrain SWCD board, staff and conservation partners. The intern will learn about district policies and practices, assist in the surveying of the land for landowner practices as well as assist office staff in day to day responsibilities. Time will be spent in the office and out in the field. This is a full time, temporary, paid position. Start and end dates are flexible.

Applications are available at the: **Audrain SWCD/NRCS Field Office**
4619 S. Clark
Mexico, MO 65265

And on our website at <http://www.swcd.mo.gov/audrain>

Applications are due by: **May 15th**
